

Cable Kit 3092 Interface 3130 or 3009/09

Mimer SoftRadio – Sailor 6222 & Sailor 6248

Remote functionality

This cable kit will together with the Mimer Network Interface give remote control of the radios audio and PTT functions.

Virtual Control Head is not possible.

Radio programming

No special programming is needed in the radio.

The volume control on the front panel does not change the audio to the interface, so it can be turned all the way down.

Cable Kit

The red and black wires shall be connected to 12VDC, red is positive.

The network interface consumes max 0,3A.
